

Mark D. Mathews 828-691-1317
Planning and Zoning Commission application attachment

Areas of Expertise

In depth knowledge of the technical aspects of real estate including zoning through experience. I have worked with Planning and Zoning and City Council while representing several of my past clients. I represented VOLVO Construction Equipment in their purchase of their new training facility property in Northern Buncombe County.

- Experience and ability to read surveys.
- Experience with the permitting process.
- Experience using Geographical Information Systems.
- Experience researching property deeds.

Education

Bachelor of Science, Business Administration/Management
UNCA 1992

Reasons for Interest

I have a strong interest in how my native Asheville will be developed in the future. My knowledge of real estate, eye for detail, critical thinking skills, and appreciation of the Commission's process, would make me an asset to the Commission.
